I have talked to our ATSDR person who thought the number in the paper looked suspicious and not updated. She was going to call the risk assessor from ATSDR to see what's up. I also talked to Michele Burgess, in my division, who has negotiated disagreements between risk assessors here in our office. I hope we will have more info for you soon. Who is the Reg 2 risk assessor on the project?

who

David E. Cooper
Construction and Post Construction Management Branch
Office of Superfund Remediation and Technology Innovation
U.S. EPA Mail Code 5204P
1200 Pennsylvania Ave, NW
Washington, DC 20460
phone: 703-603-8763
